TOBIN CENTER
FOR THE PERFORMING ARTS

What will we do there?

There are many options: Building tours (future professional, audience experience, architecture/ engineering, green-spaces, city history, etc.), performing art form specific workshops, technical theatre workshops, attendance to professional performing arts events or school time performances.

What does my class need to bring to the field trip?

It is recommend students do not bring anything with them.

What are some key takeaways my class can take from this field trip?

The Tobin Center for the Performing Arts brings world class performing art experiences. Powerful Art, Powerful Education, Excellence in Both.
