ABOUT THE INSPIRE AWARDS

The Inspire Awards gathers the community to celebrate San Antonio ISD alumni who have risen to the top of their fields. Our alumni honorees serve as examples to current students and remind us all of the powerful impact SAISD students have made and will continue to make in our city and beyond. Because of donors like you, this event raises \$200,000 annually to build the foundation for today's SAISD students.

WHAT WE BELIEVE

We believe in the infinite possibilities of future success for our SAISD students. We believe education is the greatest equalizer, therefore, we are committed to building a world-class education for SAISD students. We are committed to mobilizing our community to invest in teachers and students so they have the resources, tools and experiences needed for an excellent education. The Inspire Awards powers our annual investments in 700 educator grants and 200 student scholarship and gap awards each year.
