What is Assistance League of San Antonio?

WE BELIEVE

- When essential needs are met in the community, families will flourish.
- When we put a smile on a child's face, we all smile.
- When we clothe a child, we give them confidence to succeed in school.
- When we inspire a young person, we can change the path of their lives.

WE ARE

Located at 2611/2711 West Avenue, Assistance League of San Antonio, a 501(c)(3) nonprofit, member-volunteer organization, serves the San Antonio community. Attempting to meet previously underserved needs, we strive to transform the lives of children and adults through our various programs.

Our largest program, **Operation School Bell®**, provides new clothing to children from Title I elementary schools. These at-risk children are identified by school personnel as having inadequate or inappropriate clothing for attending school.

What are Enhanced Learning Awards?

Enhanced Learning Awards is a grant-like program designed to provide funds to Title I elementary schools in Bexar County because we believe that we can inspire young people through impactful educational enrichment programs.

Schools/Teachers may apply as

- A school
- A grade level
- A district program across campuses
- A joint project with another district

Educational Experience should

- Engage a large population of students
- Focus on STEAM initiatives
- Incorporate all applicable TEKS

Grant Award will be based on

- Level of innovation in meeting educational criteria
- Cost for project
- Number of students impacted
