

School Recycling Club Grant – Now Accepting Applications!

Empower your students. Make an impact. Build a greener future.
Powered by Monterrey Metal Recycling Solutions and the SAISD Foundation.

SAISD Schools are invited to apply for funding to start or revitalize a recycling club for the upcoming school year!

Application Timeline

- Opens: April 20, 2026
- Closes: May 20, 2026

Who Should Apply?

- SAISD Schools looking to start a new recycling club
- Schools aiming to reestablish or grow an existing club

What Selected Schools will Receive

- An 8x10 trailer for collecting aluminum cans
- A guest speaker from Monterrey Metal Recycling Solutions to train students on:
 - The importance of recycling
 - Metal recycling and its impact
 - Additional recyclable materials
- \$500 grant funding for:
 - Marketing materials
 - Club supplies

Help students develop leadership skills, promote environmental responsibility, and create lasting change in your school and community.

Apply Today!

Grant funds will support activities during the 2026–2027 school year.
